CASH (LIQUID ASSETS) REPORT:

This form is to be used to report *only* cash/liquid assets of a department/chapter. For DAV's financial reporting purposes, cash/liquid assets are assets that are in cash form or are readily convertible to cash. This includes checking and savings accounts, cash on hand, certificates of deposit, market value of investments at end of the accounting period, and any other assets readily convertible to cash (i.e. stocks, bonds, mutual funds and any other securities). The following information and guidelines correspond to the lines of the *Cash* (*Liquid/Assets*) *Report*. Some lines may not be applicable and, therefore, should be left blank. Please make entries on the correct lines only. **Alterations** (scratch outs) of these lines are not acceptable. This means that you cannot scratch out the category listed for a specific line and replace it with a different category. In addition, a properly formatted schedule that clearly identifies the source of income or the reasons for the disbursements with the <u>total</u> amount stated for each category is required for any line on the financial report indicating "Attach Required Schedule" on which you have entered an amount. Refer to pages 7 and 8 for schedule examples and proper format.

BEGINNING BALANCE FOR THIS YEAR'S REPORT:

Beginning Balance: Must be the **total liquid assets** reported on line 27 of last year's financial report. Do not include fixed assets such as real estate, furniture/equipment, vehicles or inventory/miscellaneous in the Beginning Balance figure. Keep in mind that this figure must not be adjusted for any reason. If there was a reporting error on last year's report that changes the amount of the total liquid assets reported on line 27 of that report, the adjustment must be reported in the income or expenses section of this year's financial report accordingly. An explanation for the adjustment must be provided as well.

THIS YEAR'S INCOME/RECEIPTS (Net values are not permitted):

<u>Line 1. Dues Per Capita from National Headquarters:</u> Report all per capita dues received from National during the accounting period. Departments and chapters normally receive one per capita dues distribution in July that is directly deposited. This income should **NOT** be reported on line 7 or line 9 of the financial report. <u>Line 2. Forget-Me-Not Drive Receipts:</u> Report *total gross receipts* from Forget-Me-Not drive during the accounting period.

NOTE: Transfers of funds (including cashing in and/or buying a CD) must not be listed on the financial report. A transfer of funds is just moving money the department/chapter already had from one bank account to another bank account. The actual transfer is not income earned as the department/chapter already had the money as an asset, nor is it an expense as the money was not spent/disbursed. Only income actually earned/received and money actually spent/disbursed during the accounting period should be reported.

<u>Line 10. Total Income:</u> The sum of lines 1 thru 9. Do **NOT** include the Beginning Balance amount.

The Cost of Goods Sold should **NOT** be included on the financial report as it is the beginning inventory plus purchases made minus the ending the inventory, which is not an actual cash disbursement. Only the <u>actual inventory purchases</u> made during the accounting period should be reported.

<u>Line 17. Thrift Store Expenses:</u> Report total amount of expenses for any thrift store operation. Attach required schedule which clearly identifies the reason for the disbursement with the total amount stated for each category. NOTE: Depreciation of fixed assets (real estate, equipment, etc.) must not be listed as an expense or disbursement on the financial report. Transfers of funds (including cashing in and/or buying a CD) must not be listed on the financial report. A transfer of funds is just moving money the department/chapter already had from one bank account to another bank account. The actual transfer is not income earned as the department/chapter already had the money as an asset, nor is it an expense as the money was not spent/disbursed. Service expenses must be accurately reported on the Service Expenses Schedule form. Each line of this form provides a description of what information should be reported on that specific line, as well as what additional attachments are required for each.

Some things to note when completing this form:

- Shares/percentages of fundraisers, assessments and donations given to a DAV department to support their service programs should be reported on the *Service Programs* line.
