

REST, WEARY WARRIOR

*Rest, weary warrior...
Think not of tomorrow
And the battle to be lost or won
You have fought a brave, heroic fight
And your duties are done.*

*Rest, weary warrior...
Lay down your arms at end of the day...
Close your eyes...
T'was a job well done
Let God's sweet Grace show you the way
Sleep Well!*

In loving memory of Bruce Allen Bassett
U.S. Army Retired
Sharon Bassett
