Commander's Corner

June is the last month of our program year and also marks new beginnings. Your Chapter has elected an outstanding group to provide leadership in the coming year and I am confident they will guide the Chapter's efforts toward continued success. My congratulations to each and every one of the new officers and I know you join me in pledging support to them this year. They will be installed at our next Chapter meeting, June 11th.

May was filled with numerous successful activities, and, a great big "THANK YOU" goes out to all who led and/or participated in our events and meetings. Among the highlights for the month:

 - Sr. Vice Commander Ron Price
 - Jr. Vice Commander Ron Popp

The first provision of the DAV Mission Statement is: “Providing free, professional assistance to veterans and their families in obtaining benefits and services earned through military service and provided by the Department of Veterans Affairs (VA) and other agencies of government”.

Filing claims with government agencies can be confusing and time consuming, especially for the severely disabled who are often incapacitated and lack the time or ability to travel to a VA location for assistance. We are fortunate to have three Chapter Service Officers (CSO) who can provide services free of charge. They are willing to meet with you at a mutually agreeable place to explain benefits and assist in filing the proper documents. Documents are then forwarded for review by Department and National Service Officers (DSO/NSO) prior to filing with the government. Our Service Officers have a close working relationship with the DAV representatives at the VA Clinic in Cape Coral to expedite or inquire on the status of benefit claims already filed. We encourage members and their families to use these service officers to assist “in obtaining benefits and services earned through military service”. You need not be a member of DAV to use these services.

Chapter meetings are held the 2nd Thursday of each month at 7:00 PM in the Elks Lodge, and the Executive Board meets the preceding Monday at 1:30 PM in the American Legion Post 90. Members are ALWAYS welcome and encouraged to attend both meetings.

In Memoriam...

As we "go to press" we have learned of the passing of our comrade, John P. Krenek, DAV Life Member, on Wednesday, June 3, 2015.

John was 95 years old and pre-deceased by his loving wife, Lillian. He served in the U.S. Army Air Corps during World War II as a senior aircraft mechanic. He survived numerous strafing and bombing attacks from the Japanese and earned four Bronze Stars. His military reputation was as a "can-do" mechanic, piecing together parts from multiple aircraft to yield one good plane.

Funeral arrangements are incomplete, but will be conducted at Coral Ridge Funeral Home, 1630 SW Pine Island Rd – Cape Coral, Florida 33991.

He was always smiling, cracking jokes and a pleasure to be around. He will be sorely missed. May he rest in peace.

THE FUNDS RAISED FROM THE RAFFLE BELOW ARE USED SOLELY FOR THE BENEFIT OF VETERANS AND THEIR FAMILIES IN OUR COMMUNITY.
