Joseph (Joe) Thompson	Jr Vice Commander
Larry Steven Grzanich	Treasurer
Robert (Bobby) Wallace	3 Year Trustee
Jack Johnson	1 Year Trustee
Robert (Bob) Kobac	Judge Advocate

*Rhonda L. Storey	Adjutant

Note: *= Nonvoting member.

Jan Schmeichel, Sr Vice Commander and Michael Summers, 2 Year Trustee were excused.

1. Meeting called to order at 1:00 by Commander Dennis Storey. Sign in sheets showed 25 attendees: 23 members, two Auxiliary members.
2. Andy Vasaturo opened the meeting in prayer.
3. Commander Storey asked, if there were any 1st time Visitors – Mike Hart (USMC). He is looking to transfer-in to our chapter.
4. Minutes – Rhonda Storey
 - a. General Membership Meeting Minutes for 9 February 2021, are posted on the website.
 - b. The E-Board Minutes for 4 March 2021 were read. Motion was made to approve the minutes as posted (E-Board) and read (General Membership) was made by Andy Vasaturo 2nd by Bobby Wallace. All in favor. So moved. Link to Chapter 150 website: http://www.davmembersportal.org/chapters/fl/150/Web_Pages/news.aspx
5. Unfinished Business:
 - a. **Fundraising** - Joseph Thompson -- Our Community Outreach Committee Team Lead.
 - 1) At our last meeting Joe presented four ideas for fundraising. The E-Board agreed to move forward with the **Pancake Breakfast** for \$10.00 at Cheers in Stonecrest. Please contact Joe if you interested in helping out with this or any other of our fundraisers

or Community Activities. Motion to move forward with the Pancake Breakfast was made by Bob Kobac, 2nd by Albert Gomes. All in favor, so moved.

2) Joe presented another fundraising idea. He talked to Doug Suzukovich the Suncoast Regional Coordinator of the **First Florida Chapter of Military Vehicles Preservation Association (MVPA)** concerning the potential of doing a mutual fundraiser or activity that will mutually benefit both the DVA Chapter 150 and MVPA. This would require a large venue, such as, the Polo Grounds, American Legion Post 347, Soccer field on Rolling Acres road, or possibly a DAV/MVPA night in Spanish Springs Square – like a “cruise-in”. Sounds like something we may want to look at down the road.

b. Constitution and By-Laws. Rhonda Storey sent the signed and Chapter approved document to the Florida Department Adjutant for review and signature. Once he signs, it will go to the National Adjutant for signature. No feedback as of yet received.

c. **Flags for Fallen Veterans.** Joe Thompson is the Point of Contact. We can collect a caravan of cars to meet at a central location (TBD), on **30 May 2021** in time to be at Bushnell by 9:30 which is their begin time, and caravan over there. We need to have full cars. Parking is going to be fun this year as many organizations that come in a bus will not be doing that. If someone needs a ride, we can work with those who wish to drive. Everyone needs to wear a mask throughout the day in the cars and at Bushnell. Contact Joe at (352)444-0968 or majorjet27@gmail.com to sign up. Commander Storey, said to bring your family and friends. We have 45 tickets and we may be able to get more if we need them.

d. Dennis Storey -- **Vaccines** are being given at the American Legion by the Veterans Administration (VA) for veterans who are assigned to the VA System. They are now calling everyone on their list to make appointments. They are now giving the Pfizer Vaccine in the afternoon, and the Maderna Vaccine #2 in the morning.

e. Jack Johnson – New member Tommy Watson, somehow submitted an application that was outdated and we did not catch it. He believes that he owes \$100.00 when we have him owing \$260.00. Jack Johnson made a motion that we fix this by paying the \$160.00 difference as there is no way to determine fault here. Motion 2nd by Bob Kobac. Dennis Storey asked everyone to go through their forms and make sure to dispose all of the outdated ones. Membership is \$300.00 for Life membership. \$40.00 down, and incremental payments. If you need forms, print them from the DAV.org website, or put them in contact with Jack Johnson our Membership Chairman.

f. **Shadybrook RV Resort, Pull Pork Lunch held on 12 February 2021**– Bob Kobac brought several of our pamphlets, etc. We received a \$189.00 donation then today we received a \$589.98. Thank you to Shadybrook RV Resort.

g. National has come out with a new form for Nomination of Department and Chapter Service Officers. Dan Williamson has been sponsored by Chapter 150 for several years. Jack Johnson made a motion to sponsor Dan Williamson as a Chapter Service Officer at no expense to the Chapter. 2nd by Bob Kobac.

h. **Lets Be Kids Scholarship Program**, dated 17 February 2021. We cannot do

fundraising at the Golden Corral like we usually do. Publix, Win Dixie, and Walmart, all are not allowing fundraising in their entry ways as of yet. The E-Board recommended that we do not do this fundraiser this year.

4. Correspondence – Rhonda Storey – Received a letter from William “Bill” Keen, Supervisor of Elections, Sumter County, reference “Vote in Honor of a Veteran” program. Veterans may fill out an application on themselves or a loved one, to participate in this program. Voters then will vote for a Veteran. (See Attachment A.)

Obituary
James Kardias
(Past Commander DAV Chapter 150)
June 6, 1946 - February 16, 2021

James Kardias, age 74, died tragically on Tuesday, February 16, 2021 in Lady Lake, Florida. Jim is survived by his son James Kardias, two stepchildren, Cherylyn Leverich Benson (Sean), Walter Leverich, grandchildren, Michael, Ryan, James, Olivia, Ryder and Emma. He also leaves behind a nephew, Mark Liphardt, niece, Chrissy Liphardt Sforza and several cousins. He was preceded in death by his parents and sister, Tina Liphardt.

Jim was born on June 6, 1946 in the Bronx, NY to Michael and Josephine Kardias. He graduated from Carmel High School in 1964. Jim proudly served as a United States Marine and received several medals, including the Presidential Unit Citation and the Purple Heart. He was honorably discharged in 1968. His patriotism and the discipline he learned in the Marines never left him – as friends and family can attest. Jim proceeded to join his family's business at Tina's Bar and Restaurant and made a lifetime career there. His success in business can be directly attributed to his work ethic, which he took tremendous pride in.

Several years ago, Jim moved south to Florida so he could enjoy his retirement. His days were spent doing what he was most passionate about, play golf.

Donations can be made in honor of James to DAV Disabled American Veterans, VA Regional Office, 245 West Houston Street, Room 204, New York, NY 10014, www.dav.org, ([secure.dav.org/site/Donation2?df_id=18792&18792.donation=for m1&mfc_pref=T](https://secure.dav.org/site/Donation2?df_id=18792&18792.donation=for+m1&mfc_pref=T)).

Frank E. Kipp, 95, died peacefully at his home in Sorrento surrounded by family on Dec. 8, 2020. A member of the Greatest Generation, he survived severe wounds in the Battle of the Bulge during World War II and went on to become a successful business owner before engaging in a long and vigorous retirement that featured an extraordinary list of volunteer activities.

Frank was born on Sept. 3, 1925, in Webster Groves, MO, the son of Charles Kenneth and Lillian Schenck Kipp. He was a teenager when he enlisted in the Army during WWII and became a member of a mine-sweeping unit. In 1944 an exploding mine killed other members of his unit during the Battle of the Bulge and wounded Frank so extensively that his comrades nicknamed him "Buck-shot Frank" because of the considerable shrapnel wounds. He returned to the St. Louis area following the end of the war and in 1946 married Mary ("Mollie") Gerell, a union that lasted 60 years until her death at 82 in 2006. In 1958 the family moved to Florida to start Keeman Brick, a construction material supply company in Pompano Beach. The company was sold in 1975 and a retirement of volunteerism began.

Habitat For Humanity named him Volunteer of the Year for one of the many years he spent

constructing homes and other facilities. Following Hurricane Katrina in 2005 he participated in the Thrivent Disaster Relief program in New Orleans and he made two trips to Guatemala to build medical facilities under a program sponsored by Holy Cross Lutheran Church of Lake Mary, FL. He also engaged in construction projects for The Cross, the church he attended faithfully in Mt. Dora, FL. He was known as someone who was always eager to lend a hand and he astonished everyone with his physical capabilities despite his age. His life was a model of humility, love and friendship that will be missed and remembered.

Frank and Mollie reared two daughters, Donna Hawley (Mark) of Brighton, MI, and Robyne Kipp of Sorrento. He is also survived by three grandchildren, eight great-grandchildren and two great-great-grandchildren. Cremation has taken place and remains will be divided for interment at the Florida National Cemetery in Bushnell and in a family plot in Oak Hill Cemetery, St. Louis. Memorial donations are requested in his name to The Cross in Mt. Dora, where a remembrance service will take place in January.

d. Legislative Report – Joe Thompson

1) S. 437--**Take Action for Veterans Exposed to Burn Pits**. On February 24, 2021, Senator Dan Sullivan (AK) and Senator Joe Manchin (WV), introduced S. 437—the Veterans Burn Pits Exposure Recognition Act of 2021. The bill would concede exposure to burn pits and the toxins emitted. Currently, the Department of Veterans Affairs (VA) does not provide a presumption of service connection for diseases related to burn pit exposure.

Exposed veterans must file for direct service connection and VA has denied nearly 80% of those claims since 2007. The recent report from the National Academies notes that there is insufficient evidence for presumptive diseases and more studies are needed. However, Congress can take action now. S. 437 would concede exposure to burn pits to any veteran who served in recognized countries and to specific toxins currently accepted by VA. If the evidence is not sufficient for VA to grant the claim, the bill requires VA to request a medical opinion to address the association of the veteran's claimed disease to the known toxins.

Consistent with **DAV Resolution No. 049**, we support S. 437, as it would remove obstacles for veterans establishing claims based on burn pit exposure. We are calling on all DAV members and supporters to contact their Senators and urge them to co-sponsor and support S. 437—the Veterans Burn Pits Exposure Recognition Act of 2021.

2) Reduction of Dependent Indemnity Compensation (DIC) (part of the Military Surviving Spouses Equity Act) began in the 1 February 2021 pay. Under current federal law, survivors of deceased military members are required to forfeit part or all of their Survivor Benefit Plan (SBP) annuity when they are awarded Dependency and Indemnity Compensation (DIC) from the United States Department of Veterans Affairs (VA). Currently surviving spouses of active duty or retired members who died of a service-connected cause are required to forfeit \$1 of their SBP annuity for each \$1 received in DIC.

- a) Survivor Benefit Plan (SBP) annuity is purchased insurance.
- b) Dependency and Indemnity Compensation (DIC) is paid for service-caused death. (Dependents need to file a claim for this.)
- c) The offset has been an unfair penalty that cuts earned benefits to military survivors.

c. POW/MIA Report -- Rhonda Storey -- Nineteen (19) POW/MIA remains were found between 1 February and 4 March 2021. Six (6) are from the Korean War and thirteen (13) are from World War II. Additionally, Eight (8) Army, Nine (9) Navy, and Two (2) Marine. (See Attachment B) Commander Storey -- Moment of silence for our POW/MIAs.

d. Van Report -- Dennis Storey -- The VA is working to contact the volunteers to see who will be coming back once they open up the clinic. Currently the Van is being used to carry supplies back and forth between the VA and the American Legion in support of the Vaccine Program.

ABOUT OUR PROGRAM:

Sumter County is proud to offer the *Vote in Honor of a Veteran* program. The intent of this program is to encourage voters to cast their ballot in the names of the men and women of the U.S. Armed Forces who have fought so hard to defend our freedom and protect our right to vote. There are two ways to honor a veteran:

- 1. **Wall of Honor:** Veterans that participate in our program will have a picture and profile featured on our digital monitors in each of our office locations.

- 2. **Voting in Honor of a Veteran:**  During an election, voters that cast their ballot in honor of a veteran will receive commemorative dog tags as a keepsake to say thank you for participating in our program.

We Want to Honor You!

Share Your Story! If you are a veteran or family member of a veteran, we encourage you to participate in our program by submitting a biography form along with a picture of an honored veteran (preferably in uniform) to our offices to be displayed on our digital monitors. Your personal story may encourage our next generation, or maybe someone who is eligible but has not yet participated in elections, to get out and VOTE!

See reverse side for biography form.

How to Submit a Veteran Photo:

Please complete and submit the Veteran Biography Form located on the back of this document. We accept submissions from all Sumter County citizens and their families who have served or are currently serving in the US Armed Forces.

The completed form, along with a photo of the honored veteran, can be returned to the Sumter County Elections Office via mail, email or by dropping it off in person. **We ask that you do not mail original photos.** Please stop by our office if you would like original photos scanned.
