**Subject:** DAV-IN3 Chapter Meeting Zoom Video Recordings 2020-11-10

Dear Dr. C,

I would like to post the November Chapter meeting Zoom Video recording along with the minutes of that meeting on the Chapter website. Please give me Zoom permissions to download this myself or send the Video to the Chapter email account. ([dav.chapterin3@gmail.com](mailto:dav.chapterin3@gmail.com))

Also as previously discussed, I think I know why the youtube.com spots were breaking up. I think I needed to mute my microphone so the audio did not get feedback through my microphone. Let's get together via Zoom and test out this theory.

Yours, Jerry
