Dear Dr. C. (James D. Cornett, Ph.D. drjamescornett@msn.com (317) 502-1432),

Cmdr. Greer said '[...do it by Zoom](#)'.

This order appears to fall under your Video Conferencing Committee's area of responsibility. Please make arrangements to make this meeting happen. Let me know how I can help.

Once a motion is fashioned, I will see that it is placed on the next DAV-IN3 Chapter meeting's agenda for consideration.

Yours, Jerry Baker - Adjutant DAV-IN3 - Cell 317-979-7186

Dear Bill,

I personally have been and remain very supportive of Jim McIntire and his wishes concerning a potential District Fundraiser.

My support and thoughts are unchanged and remain as previously expressed. Please forward this email on to Jim as I do not have his email address.

Calling/scheduling/proposing a District level meeting at Department HQ is way above my pay grade as Adjutant of DAV-IN3.

Therefore, I am forwarding this inquiry on to my boss, Cmdr. Greer.

Yours, Jerry

Hi Jerry. Jim McIntire has now informed me he wishes to try to arrange a meeting with one or more representatives from our District Chapters to discuss a District fundraiser possibly to be held at Department HQ. If you have any thoughts on this I can pass them on to Jim or you can call or text Jim at 317-885-9209.

Dear Bill – William Caywood, 2020/2021 DAV District 13 Cmdr.,

Please consider your apology as accepted but totally unnecessary amongst friends.
Please provide more details on your proposed chapter's 52/60/3 Carport District Fundraiser. If you would put your proposal into the form of a motion, I suspect Cmdr. Greer will officially present it for consideration and action at our December 7th DAV-IN3 Chapter Meeting.

When it becomes available, we will be posting the official video recording of our November 2nd DAV-IN3 Chapter Meeting on our [Chapter's website](#). Feel free to publish and share this link as it allows your chapters to benefit from and enjoy the meeting.

Yours, Jerry Baker Adjutant – DAV-IN3

Sorry Jerry. I got mixed up with my e-mails and missed your return message.
The reason I intended to hook up was because Jim informed me he couldn't make it so I take responsibility for screwing it up. The issue remains open in that there is some interest in Chapters 52 and 60 to do a District fundraiser and to determine if Chapter 3 might also be interested in this idea I would assume, if you had interest, we would then determine when and where and find volunteers. We would also need to agree on what project we would support with the funds. Since the Department's shed was broken into; one idea is replace it with a carport/shed combination that would have a plaque indicating the Chapters that were involved.
This is one suggestion.

Again I apologize for missing the meeting and Jim and I would be interested in any thoughts you or your members might have regarding this matter.

Hi Jerry. Could I get hooked up to your chapter meeting to discuss the possibility of a district fundraiser. There is some interest in Chapters 60 and 52 and I would be interested to see if your members would have any interest in such a venture.=
