Hey Jerry,

Good idea on adding the branch of service for each of the four graduates being honored. We do not have a graphic of the proposed finish product yet other than a picture of what it would look like on their website. Bill Lower, a member of our committee and also a retired AF Officer is our primary contact with Impact Signs. We are actually meeting in person toward the end of May to finalize everything on the memorial plaque. I think we have all the records on the four individuals which we have obtained from the military, family members and the Archdiocese Archives office.

We look forward to meeting you and other DAV members on May 6 prior to the business meeting. Thanks again.

Jim

Dear Jim,

Thanks for the biographical info. Please consider adding to the plaque the branch of service for each of the honored. Has Impact Signs offered a graphic of the proposed finish product? The Chapter may be able to assist you with the military records and citations. Joe and Tim are welcome to be my guests Most of what can be accomplished will be before the meeting. Guests are not allowed during the majority of the chapter business meeting.

Yours  
Jerry

Jerry,

I have attached the wording for the 24 X 18 inch bronze memorial plaque we will be purchasing from Impact Signs based in Chicago.

My contact info is:

Jim Bixler

I retired from the Air Force in 1999 as a Lt Col. I will take a look at your webpage.

The four Latin School graduates we are honoring on the memorial plaque each has a unique story. Donald Cors was a young 22 year old Navy jet mechanic who died when a jet crashed on the aircraft carrier USS Saratoga in the Mediterranean Sea on August 15, 1963. William Hartwell was a Army UH1 helicopter pilot who died in Vietnam in 1968 while on a rescue mission. He was 24. Denny Reuter died while home on leave from the Army under mysterious circumstances. He was last seen alive shortly after Christmas of 1974 and his body was found 5 months later on May 17, 1975 in White River, apparently drowned. He was 21. Timothy Maude was the Army's Deputy Chief of Staff for Personnel and died on 9/11 when the airplane slammed into the Pentagon. He was 53.

Two of the other committee members, Joe Wesling and Tim Jeffers would like to attend the meeting on May 6. I am assuming this would be okay?

Jim

Dear airbix@aol.com,

I am Jerry Baker, Adjutant of DAV (Disabled American Veterans) Chapter No. 3 in Indianapolis. Upon seeing your mission in the Criterion, I decided to invite you to our next Chapter meeting. I have you on the meeting Agenda as my invited guest. Additionally, I will be making a motion to "[Fund a portion of the \\$2000.00 needed for a plaque to honor students who died serving the U.S. Military.](#)"

The Chapter requires a motion to spend money. Hopefully your attending the meeting will produce a sizable contribution to your mission. We muster about 30 minutes before the meeting where we can meet and discuss your work. Please find the linked and attached [draft minutes](#) of our next meeting that contains all the location and time information.

Note: if you are prompted for a password to access any of the links in this e-mail, just cancel out of the prompts and hopefully you will gain access to the linked content.
