

# Lowell Regional Veterans Mental Health Summit

**Thursday, August 20, 2015**

**8:00am - 3:00pm**

**Middlesex Community College  
Cowan Center, Lowell Campus**

Bedford VA and Middlesex Community College cordially invite you to this community summit designed to enhance the mental health care opportunities for Veterans and their family members residing in the greater Lowell area. Our goal is to engage in active dialogue about how we, as a community, can better address the mental health care needs of Veterans and their families.

### **Areas of Special Focus:**

- ★ Helping Veterans who need treatment enter health care services early.
- ★ Helping Veterans who are receiving mental health services to more fully participate in their communities through work, housing, meaningful relationships, and activities with partnering programs in the community.

We invite you to come to the summit and be one of the valuable voices that contribute to this important discussion with opportunities for brainstorming and networking. Lunch will be provided.

Registered participants will receive a copy of the summit's complete agenda as well as driving directions to Cowan Center (33 Kearney Square, Lowell MA) and parking instructions, (parking provided).

- ★ ***CEU's/CME for Nurses, Psychologists, Social Workers, Physicians, and Peer Specialists are available.***

- ★ ***Advanced registration is required. For questions or to register for the summit, please contact Doreen Asselin at 781-687-2478 or Doreen.Asselin@va.gov.***
