

## **Subject: Disaster Relief Fund Donation Page Link**

Attention Chapter leadership,

The Department has received a few phone calls from Chapters and or individuals that are wondering how they can help the veterans in the Houston Texas area that have been affected by the hurricane Harvey. I have contacted the National organization to see what the best way is to help the veterans in Texas from the result of Hurricane Harvey.

For those of you that may not know, the National DAV has a program called "DAV Disaster Relief Fund" where when national disasters happen, the National Service Officers "NSO's" well work with other agencies (federal, state, local, and other non-profits) to ensure that veterans that are affected by the disaster are getting the help they deserve. The DAV does give monetary support to veterans that meet the criteria as well.

If your Chapter is interested or you as an individual would like to provide a monetary donation to this cause **(this is not a requirement or a request from the Department)** the DAV National is requesting that you this link <http://bit.ly/DAV-Harvey> or you can also mail checks here to National Headquarters to the attention of Remittance Processing, and please ask that they note "DAV Disaster Relief Fund" on the memo line.

Again, this is being sent to you only to help you understand how to send donations to help the veterans in Texas that are affected by the Hurricane Harvey.
