Dear Commander Walsh:

On behalf of the veteran patients and staff of the Department of Veterans Affairs NJ Health Care System Lyons Campus, please extend our sincere gratitude and appreciation to your members for the hospital-wide dinner with entertainment you provided for the patients on May 21, 2010.

The patients were served a delicious shrimp and chicken dinner with all the trimmings and they enjoyed everything that was served. The entertainment was great and everyone had a wonderful time. The patients were pleased to be able to spend the evening socializing with your members.

Again, thank you for your interest and for making a difference in the lives of the veterans hospitalized at this medical center.

Sincerely,

Ryan Chesterman, CTRS
Recreation Therapist
