Re: Acknowledgement of Volunteer Services

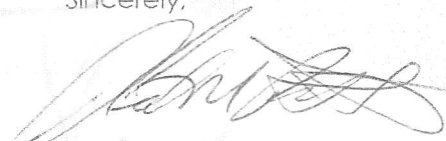

Dear Mr. Griguoli,

Thank you for your important contribution of time and energy! The volunteer services you provide the Disabled Veterans through the **DAV LYONS VAMC, has proved to be of tremendous help. Your knowledge and expertise has benefited me and other veterans** whom have participated in your counseling and mentoring. Positive thinking has surely made a difference in my day to day activities.

I am very happy to be able to listen and learn how I can change my life by following treatment and not giving up. With this positive thinking I have gained so much positive insight on life, my family and way of my daily living. I have never been moved to act and look forward in my life as much as you have been able to motivate me, to look into finding peace in my mind.

I believe in giving recognition where recognition is due. Once again, thank you for your time. I hope you will continue to support our wounded and disabled veterans the same way you have done so with me and many others.

Sincerely,

Mr. Hector M Rodriguez
