DAV Chapter 16
Gerard Walsh, Commander
25 Appletree Lane
Warren, NJ 07059

Hello Gerard,

On behalf of the volunteer staff of Operation Shoebox New Jersey and all U.S. military personnel deployed overseas, I want to extend my sincere thanks to you and all members of DAV Chapter 16 for the donation of bagged toiletry products, all of which was packed and shipped to US troops deployed overseas during our annual Christmas packing at the Manville VFW on Nov. 14.

The donation helped to ensure the supply line of personal care packages shipped by Operation Shoebox New Jersey to military personnel deployed at bases and remote posts around the world continues uninterrupted.

Founded in February, 2005, OPSHBX NJ volunteers continue to gather supplies and raise cash contributions, enough to send over 98,600 care packages to U.S. military personnel overseas.

Please have a look at our website, www.opshoeboxnj.org to read the latest thank you letters from grateful service personnel and to keep abreast of our packing events, fund raising events and volunteer opportunities scheduled for 2016

Also, we'd ask that if you know of anyone deployed overseas to please forward their address so that we may ship them care packages.

Operation Shoebox New Jersey will continue to maintain its supply line overseas as long as there is a need, and for as long as individuals, schools, businesses, churches, civic and labor organizations, foundations and corporations continue to support our efforts.

Operation Shoebox New Jersey is a 501(c)3 non-profit corporation as recognized by the IRS and is registered in the state of New Jersey as a non-profit, charitable corporation.

We salute your patriotism and look forward to your continued support.

Regards,

Rod Hirsch
