Dear Joseph Collucci:

DAV Chapter 16 acknowledges the donation check number 7400 for \$2,000.00. This check with others will be used to sponsored events for Veterans at VA Lyons hospital in NJ. We are hosting a 12/30/23 lunch at the hospital feeding about 100 veterans. There will be 25 raffle gifts and a DJ playing music and karaoke.

The million member Disabled American Veterans (DAV) is a non-profit 501(c) charity dedicated to building better lives for America's disabled veterans and their families. DAV was founded in 1920 by disabled veterans returning from World War I to represent their unique interests. In 1932, the DAV was congressionally chartered as the official voice of the nation's wartime disabled veterans.

Annually, DAV assists more than 200,000 veterans and their dependents with claims for benefits from the Department of Veterans Affairs and Department of Defense.

DAV's Voluntary Services Program operates a comprehensive network of volunteers who provide veterans free transportation to and from VA medical facilities. This ensures they get care and improves morale for sick and disabled veterans.

DAV's million members provide grassroots advocacy and services in communities nationwide. From educating lawmakers and the public about important issues to supporting services and legislation to help disabled veterans the DAV is there to promote its message of hope to all who have served and sacrificed.
