DISABLED AMERICAN VETERANS

SOMERVILLE - CHAPTER 16

232 UNION AVE. RT. 28

SOMERVILLE, NJ 08876-2621

Please accept our most gracious thanks for your gift of \$200.00 to the DAV Blind Veterans National Chapter #1.

Donations, such as yours, have enabled the Blind Chapter to provide services to the Nations blind veterans. The newest project supported by the DAV Blind Chapter is supporting a project to help place the Tactile American Braille Flag in VA facilities throughout the United States. This tactile flag was recognized by the U.S. Congress in 2008, and allows blind veterans to be able to see the American Flag with the touch of their fingers. The Flag is Bronze, the stars and stripes are raised and, on the stripes, the Pledge of Allegiance is embossed in Braille. The Project's goal is to have the American Braille Flag in every VA facility in the United States. Again, we thank you for your considerate gift.

Sincerely,

Paul W. Kaminsky USN, Ret
Commander
