Hi Gerard,

On behalf of Project Help and our Veterans, I would like to thank you and the DAV Chapter 16, for your kind donation of \$500.00, check #1775, dated 9/5/2023. At your request, we will put your donation towards toys and clothing for our needy veterans. Your thoughtfulness and kindness are sincerely appreciated!

Each year Project Help continues its mission of helping our Veterans and changing their lives in some small way. We work with them to provide essential services that will carry them through difficult times and put them on the road to success and fulfillment.

Project Help, a 501c3 Charity, is dedicated to the welfare of our veterans and their families. We at Project Help are all volunteers and all (100%) of donations go directly to helping our veterans and their families. All donations are tax deductible.

Again, thank you for your continued support!
