

Packages From Home is a 501(c)(3) non-profit organization whose mission is to send care and comfort packages to deployed American military heroes stationed in active duty theaters around the world, as well as to facilitate activities that elevate morale of all veterans.

Packages From Home has three programs to serve our brave past and present heroes charged with preserving and protecting our freedoms:

Packages From Home
Supporting our currently deployed service men and women.

Packages For Hope
Aiding veterans who are in transition, homeless or at risk of becoming homeless.

Bones From Home
Caring for military working dogs and veteran service canines.

Financial contributions are especially important because they pay for postage and restocking our shelves when needed items have not been donated.

- ★ Hygiene Packages = \$87 in items + \$13.60 for postage
- ★ Bones From Home Packages = \$75 in items + \$13.60 for postage

Monetary donations may be made online at packagesfromhome.org, by texting PACKAGES to 91999, or mailed to 5643 N. 52nd Avenue, Glendale, AZ 85301.

Give an in-kind donation

Packages From Home collects food, hygiene, and recreational items such as books, video games and sporting equipment for our American troops in need. If you would like to donate tangible items, a complete list can be found at www.packagesfromhome.org.

Donate your time

Packages From Home is 90% run by volunteers so we are always on the lookout for dedicated, upbeat citizens who want to support our troops. Volunteers assist the organization with a variety of tasks including picking up and sorting donations, proofreading letters, helping at events, shopping for needed items, and of course, assembling packages. If you would like to become a Packages From Home volunteer, please email info@packagesfromhome.org.
