

JANUARY/FEBRUARY REPORT

From The Commander's Desk

Greetings, though the year 2017 will undoubtedly offer many difficult challenges I am confident that Naomi Chapter 15 will continue to be there for disabled veterans in need. Congress will soon convene, leadership will be in place and a new President will take the oath. Still, hopefully, the needs of America's disabled veterans will continue to have a high priority in the minds of those who make the decisions that matter to you, I and our fellow veterans. That's why we urge you to remind our representatives in Washington that the well earned benefits enjoyed by disabled veterans should not be bundled with partisan targets labeled as candidates for the budget ax. We ask you to remind Congress that any increase in funding of the VA budget must meet the increased needs brought on by new users of the VA health system because of service in Iraq, Afghanistan, Syria and other hot spots around the world. VA hospital parties, and the homeless veterans in our midst are among the targets of our efforts to support veterans in need. All this will cost money, that means we will be asking for your support. That support can be in the form of the buying of a ticket, the giving of a donation, or volunteering your service in any way. Any help will be acknowledged and appreciated. Another project on our 2017 agenda is increased membership attendance at our monthly chapter meetings. **Come out and contribute — come out and be heard.**
