The Sam (Bud) H. Werner Military Museum opened in the Spring of 2017 to showcase Mr. Werner's and some of his friend's extensive collection of military vehicles and other artifacts. He collected military artifacts for over 50 years. His collection encompasses items from WWI to the present. The museum showcases each of these items in the hope that it will pay tribute to our brave Veterans and serve as a reminder for our younger generations.

Our normal hours of operation are:

Wednesday through Saturday

Open between 10AM and 3PM

(Special times by appointment)

Special events like school class trips, scouts and veteran groups are welcomed.

Contact us through our web site:

www.wernermilitarymuseum.com

This museum has the complete collection of the four Prototype, Lightweight Jeeps for the 1943 Glider Program. These jeeps were designed to be carried into Europe by gliders.

The Museum has items from the past 100 years.
