

VOLUNTEER DRIVERS NEEDED

Serve those who Served

Many TACOMA area Veterans need a ride to their medical appointments at the American Lake VA hospital in Tacoma. VA provides the vehicle, gas, and other related expenses but that is not enough.

Our Veterans need you !

Volunteer Drivers serving in VA Puget Sound's Volunteer Transportation Network (VTN) can literally be the difference-maker in veterans receiving their needed medical care. Do you have one or more days a month that you could give as a VA volunteer driver?

To learn more about what's involved and how you can *serve those who served* through this most important volunteer activity, please contact VA Voluntary Service office phone: 206-764-2195 or 253-583-1054.

Note: The VTN was originally established by the Disabled American Veterans (DAV) and supported by the Department of Veterans Affairs (VA). DAV continues to lead the way, in partnership with local area organizations and individuals, in providing needed transportation for veterans seeking care at VA facilities.
