

# 2010 Medication Copayment Rate

Department of Veterans Affairs

VA charges a copay for each 30-day or less supply of medication provided on an outpatient basis for the treatment of a non-service connected condition.

**Effective July 1, 2010, the copay amounts are:**

Priority Groups	Copoly Amount		
	1-30 day supply	31-60-day supply	61-90-day supply
2 through 6	\$8	\$16	\$24
7 and 8	\$9	\$18	\$27

Copayments stop each calendar year for priority groups 2-6 once a \$960 cap is reached.

## These changes apply to:

- Veterans without a service connected condition, or
- Veterans with a disability rated less than 50%
  - who are receiving outpatient treatment for a non service-connected condition, and
  - whose annual income exceeds the limit set by law.

Note: Medication Copayments do not apply to former Prisoners of War or those covered by other exceptions as set by law.
