Dear Mr. Ferguson:

The West Allis Celebration Committee is committed to honoring our veterans, and with help from our community members, we are able to provide gifted support to honor their service to our country. With donations and monies received through fund raising events, we are pleased to present you with a monetary gift of \$500 to use towards your various quality of life programs for our veterans.

Kindest Regards,

A handwritten signature in cursive script that reads "Rosalie Reinke".
