

## **Disabled American Veterans Statement of Policy**

The Disabled American Veterans was founded on the principle that this nation's first duty to veterans is the rehabilitation and welfare of its wartime disabled. This principle envisions:

1. High quality hospital and medical care provided by the Department of Veterans Affairs for veterans with disabilities incurred in or aggravated by service in America's armed forces.
2. Adequate compensation for the loss resulting from such service-connected disabilities.
3. Vocational rehabilitation and/or education to help the disabled veteran prepare for and obtain gainful employment.
4. Enhanced opportunities for employment and preferential job placement so that the remaining ability of the disabled veteran is used productively.
5. Adequate compensation to the surviving spouses and dependents of veterans whose deaths are held to be service-connected under laws administered by the Department of Veterans Affairs.
6. Enhanced outreach to ensure that all disabled veterans receive all benefits they have earned and that the American people understand and respect the needs these veterans encounter as a result of their disabilities.

It, therefore, follows that we will not take action on any resolution that proposes legislation designed to provide benefits for veterans, their surviving spouses and dependents, which are based upon other than wartime service-connected disability.

We shall not oppose legislation beneficial to those veterans not classified as service-connected disabled, except when it is evident that such legislation will jeopardize benefits for service-connected disabled veterans.

While our first duty as an organization is to assist the service-connected disabled, their surviving spouses and dependents, we shall within the limits of our resources assist others in filing, perfecting and prosecuting their claims for benefits.

Since this represents the principle upon which our organization was founded and since it is as sound at this time as it was in 1920, we hereby reaffirm this principle as the policy for the Disabled American Veterans.
