Subject: Department Membership Discount Program (MDP)

Building upon the success of last year's program, where nearly 150 members went from Part to Full Life Member status, the Department of North Carolina Executive Committee has approved the renewal of the Department Membership Discount Program (MDP) for the 2016-2017 Membership Year.

This program is where any new member who is paying their membership dues in full or any DAV Part Life Member who is completely paying off their remaining membership dues, will receive a \$10.00 discount which will be paid by the Department on behalf of the member. Chapters have offered similar discounts to members in the past where the Chapter paid anywhere from \$5 to \$40 to assist their members becoming DAV Full Life Members. The Department encourages this participation from the Chapters but it is not required.

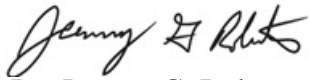

The Department Membership Discount Program will run from July 1, 2016 through June 30, 2017. Any member who is paying the full membership dues amount or paying off what is remaining on their dues must go through the Chapter first by completing a DAV Membership Application / Payment Form and present their payment. The Chapter must complete the enclosed MDP Form and submit it with the member's payment and Membership Application/Payment Form to the Department Adjutant. Any payment received that does not go through this process will be forwarded to the National Membership Department without action by the Department.

It is recommended, that the Chapter take the Membership payment and deposit the funds into the Chapter Account. Then issue a Chapter Check equal to the membership payment amount plus any Chapter discount offering (if any), and send to the Department the 1) Chapter Check, 2) DAV Membership Application / Payment Form, and 3) MDP Form. All checks must be made payable to "DAV" or "Disabled American Veterans". If the member is paying by credit card, the following must be sent to the Department, 1) Check for Chapter offering (if applicable), 2) DAV Membership Application / Payment Form (original ink copy), and 3) MDP Form. All MDP submissions must include Chapter's discount offering (if applicable).

To clarify the eligibility of this program: This program is only available to those applicants who are members of or joining DAV Department of North Carolina Chapters. Those who are transferring from other states must provide a completed DAV Membership Transfer Form with Chapter Approval to the Department with to be eligible for the MDP. The DAV Membership Transfer Form will be forwarded to the DAV National Membership Department for processing with the member's payment. After the member has been transferred in the Chapter, the Department will complete the MDP process by adding the Department and Chapter Share (if applicable).

We wish your Chapter's continued success and encourage you to call the Department Headquarters for any and all questions regarding this program. The success of your Chapter is the only way the DAV Department of North Carolina and DAV National Organization will be successful in empowering veterans to lead high-quality lives with respect and dignity.

Yours in Service,
