STRUGGLING WITH ANGER?
NIGHT TERRORS?
FEELING ALONE?
FORGETFUL?
OVERREACTING?
RELATIONSHIPS SUFFERING?

HEROES

HORSES CAN HELP!

Join us for equine assisted psychotherapy and learning for our local warriors. Let our horses help heal your soul.

Location:

Conroe, TX 77304

DONNA STEDMAN - DONNA@HENRYSHOMEHORSESANCTUARY.ORG

Our program is for soldiers (active, inactive, retired) who are suffering from emotional, mental and behavioral issues ranging from PTSD to depression and addiction resulting from combat stress, reintegration issues, grief and family trauma. We are an EAGALA certified program, therefore, all therapy is on the ground. No riding is involved. The EAGALA team includes an equine specialist and a licensed mental health professional. You can sign up as a group, couples or individuals.

Brought to you by: **Hope Rising Network of Equine Psychotherapy and Learning**
