**DAV National Commander's Awards recognizing
Outstanding Member of the Department of Veterans Affairs
Veterans Health Administration (VHA), Veterans Benefits Administration (VBA)
and National Cemetery Administration (NCA)**

DAV is pleased to announce the National Commander's Awards Program to honor an outstanding individual within the Department of Veterans Affairs, Veterans Health Administration (VHA), Veterans Benefits Administration (VBA) and National Cemetery Administration (NCA) for 2018.

To successfully initiate these awards we will require the support of all departments and DAV national service offices in submitting deserving candidates from these categories. We strongly encourage a deserving candidate to be nominated from within each department for possible selection and recognition by DAV at the national convention.

Nominees for any of the three awards must be a Department of Veterans Affairs VHA, VBA or NCA employee. They do not need to be veterans or DAV members. While a nomination for each administration is not required, nominations for each are encouraged.

The National Commander's Award recipient will be provided with a round-trip airline ticket to New Orleans, LA to receive the award at the national convention; hotel accommodations for a maximum of two (2) nights; and following the convention, a voucher will be completed for reimbursement of per diem expense for meals and incidentals for each night's lodging.

To promote consistency among nominations, simplify the process and speed up submissions, a nomination form for each category is included. All nominations must be submitted with the complete information and necessary photos **no later than February 28, 2018**. Submittals should be sent to Garry Augustine, Executive Director, Disabled American Veterans, 807 Maine Avenue, SW, Washington, DC 20024 or email commandersawards@dav.org.

A set of rules follows this introduction. The rules outline procedures to be followed in making nominations for each individual in each administration. Please adhere to these rules for each nomination made.

Your positive involvement in this program provides DAV an opportunity to nationally and locally publicize individuals within the VHA, VBA and NCA who perform outstanding work on behalf of disabled veterans and their families. It is also a way for DAV to say thank you to these truly tremendous individuals.

We look forward to receiving your nominations by **February 28, 2018** and if you have any questions please email us at commandersawards@dav.org.

- Each nominee's application must be accompanied by an 8" by 10" glossy photograph of the nominee, suitable for publicity purposes, or an electronic jpeg image, with a minimum resolution of 300 ppi, on a CD or USB drive.
- The name, title and telephone number of the immediate supervisor of each nominee.

Nominations:

- Nominations for an Outstanding Member of the Department of Veterans Affairs Veterans Health Administration (VHA), Veterans Benefits Administration (VBA) and National Cemetery Administration (NCA) must generally be made by a state-level department of DAV from submissions made through the chapters. DAV national service offices nationwide may also submit nominations. Departments are also encouraged to consider nominations from individuals directly associated with or witness to the outstanding performance of a member of the VHA, VBA or NCA.
- In the event of multiple nominations, departments are requested to submit only their winning nominee in each administration to the Executive Director of DAV Washington Headquarters for consideration of the National Commander's Award to be presented at the national convention. The National Amputation and National Blind Veterans Chapters may submit nominations for the national award directly to the National Executive Director.

Selection of recipient:

- The exemplary accomplishments of the nominee in relation to how his or her employment positively impacts on DAV's mission of fulfilling our promises to the men and women who served is achieved;
- The ability of the nominee to willingly and effectively motivate others to positively serve the needs of injured and ill veterans and their families is factored;
- Public relations, writing, speaking and other proactive activities on behalf of veterans and their families will also be weighed.

Administration:

The department adjutant should be responsible on the state level for implementing this program. DAV national service offices will submit nominations directly to the Executive Director, Washington, Headquarters.

Deadline:

Each nomination, with all supporting material, must be received by the Executive Director, Washington Headquarters **no later than February 28, 2018**. The selection of the national winner by the Awards Committee will be final.

The national winner will receive the award at the national convention. The only expenses to be paid by the National Organization are for providing the recipient with a round-trip airline ticket to New Orleans, LA to receive the National Commander's Award. Hotel room and tax will be billed to the DAV master account for a maximum of two nights. Subsequently, a voucher will be completed for reimbursement of per diem expense of \$75 for meals and incidentals for lodging each night.

Publicity:

Every department is strongly encouraged to participate and urged to publicize this awards program for maximum participation. This is an effective way to recognize outstanding service by members of the VHA, VBA and NCA and encourage others to emulate their outstanding work on behalf of injured and ill veterans and their families.

Departments are requested to consider inviting representatives from the VHA, VBA or NCA in their respective areas to address members and to publicize these events. It is also suggested that the department convention would be an ideal opportunity to present a department award to each VHA, VBA and NCA selected for consideration by the national award committee, and to invite local media and press to cover the award presentations.

The anticipated cooperation of all departments is deeply appreciated. It will result in enhanced relations with members of the VHA, VBA and NCA and, ultimately, improved service delivery to veterans and their families.
