Did you know that VA offers health care resources to meet the unique needs of women Veterans?

If you are one of the estimated 2.1 million women Veterans in the U.S., VA offers a range of services that may help you, including:

- Free counseling for those who have served in combat or have dealt with military sexual trauma
- Comprehensive primary care, maternity care, specialty care and mental health services
- Newborn care for seven days

Join VA and Disabled American Veterans (DAV) on March 23 at 7 p.m. ET for a Facebook Live video tour of the Washington D.C.
